Font family: Roboto, sans-serif

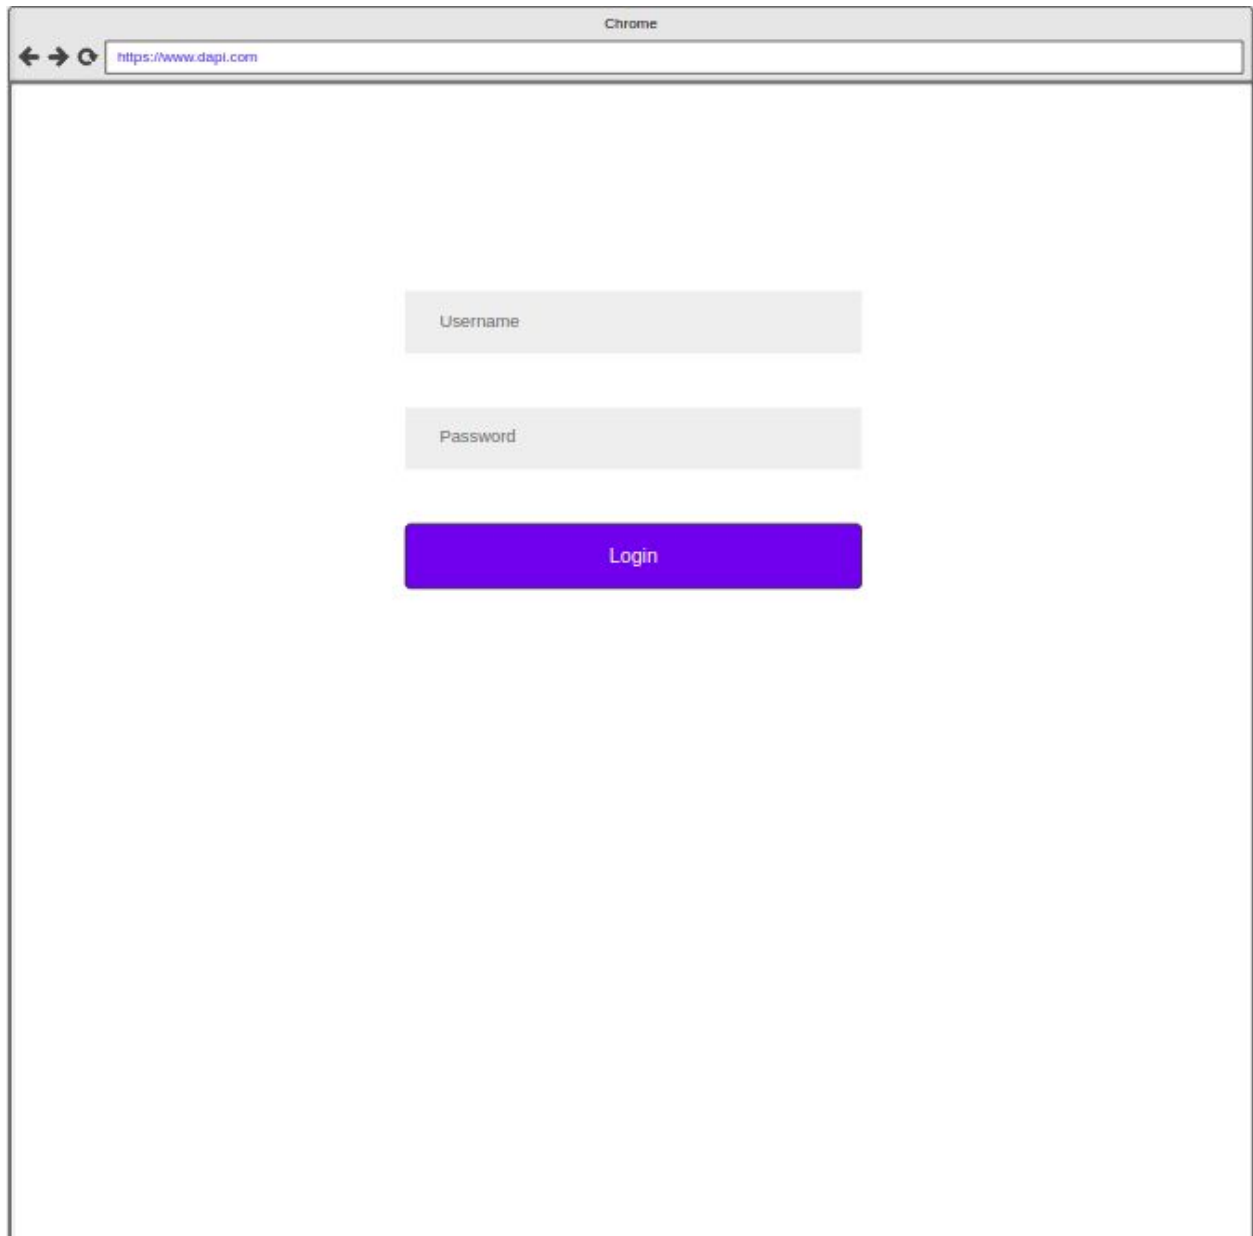

Font family: Source Code Pro", Consolas, Menlo, Monaco, Courier, monospace;

Page Designs:

The following pages show a static version of the Login Page that is to be made in three different forms:

1. The Landing Page
2. When Login is successful
3. When Login is unsuccessful

Landing Page:

The image shows a web browser window with the title "Chrome". The address bar contains the URL "https://www.dapt.com". The main content area of the browser displays a landing page with a login form. The form consists of two text input fields, one labeled "Username" and one labeled "Password", both with light gray borders. Below these fields is a solid blue button with the text "Login" in white. The entire form is centered on a white background.

Login Successful:

A screenshot of a web browser window titled "Chrome". The address bar shows the URL "https://www.dagpi.com". The page content is a simple login form with a light gray background. It features two input fields: "Username" and "Password", both with light gray borders. Below these fields is a blue "Login" button. At the bottom of the form, there is a large black rectangular area, likely a placeholder for a logo or image, with a vertical scrollbar on its right side.
